Professional Summary

Senior Motion Designer with 8+ years of experience delivering high-impact visual campaigns for the gaming and digital media industries. Proven track record at Interwetten Group, where optimized production pipelines reduced turnaround time by 20%. Combines deep expertise in motion graphics and video production with hands-on capability in AI-assisted creative workflows, frontend development, and custom digital tooling enabling end-to-end ownership from concept to delivery.

Employment History

Senior Motion Designer at Interwetten Group Vienna, Austria

Mar 2024 — Jul 2025

Led creative direction and production planning for gaming campaigns across digital and social platforms. Took ownership of animation workflow architecture, reducing project turnaround time by 20%. Expanded scope from execution to end-to-end campaign oversight including briefing, design direction, and delivery.

Motion & Graphic Designer at Interwetten Group Vienna, Austria

Jul 2022 — Mar 2024

Executed motion graphics, promotional videos, and digital campaign assets across gaming platforms. Contributed to early stage creative planning while focused primarily on high-volume production delivery using After Effects, Premiere Pro, Photoshop, and Illustrator.

Employment History

Motion Graphic Designer at Voglauer Salzburg, Austria

Jul 2021 — Jan 2022

Created animated content and static visual assets for a premium furniture brand. Balanced motion design and graphic design responsibilities across digital marketing materials and branded campaign deliverables.

Self-Directed Development — Freelance & Web Salzburg, Austria

Jun 2020 – Jul 2021

Pursued independent study and hands-on development in web technologies including HTML, CSS, JavaScript, and modern frontend frameworks. Applied skills through freelance and personal projects alongside continued creative production work.

Motion and Graphic Designer at has.to.be GmbH Salzburg, Austria

Apr 2018 — Jun 2020

Produced motion graphics, animated content, and digital visual assets for a technology-focused company. Delivered promotional videos and social media creatives supporting product communication and brand identity.
